FOUNTAINE PAJOT
SAILING CATAMARANS

Astréa 42

THE LATEST MODEL IS SET TO REVOLUTIONIZE CATAMARANS OF THIS SIZE

The Astréa 42 by Fountaine Pajot Sailing Catamarans is distinguished by its abundance of natural light, energetic lines, elegant living spaces and unparalleled comfort, while delivering sheer pleasure underway. A joy to share as a couple or with family and friends, this new catamaran promises every leg of your travels will be memorable. She demonstrates the boatyard's commitment to innovation while preserving the classic identity of the Fountaine Pajot sailing catamarans' range. She features all the elements that contributed to making our latest new boat, the Saona 47, an international success. Her inverted bow, the new signature mark of the range, gives the boat an elegant and dynamic line while offering incomparable interior space.

The Astréa 42 was conceived and designed to facilitate free-flowing movement throughout the boat, as well as linking the helm station with the outdoor relaxation and living spaces from coachroof to cockpit. The coachroof features a double seat at the helm station and a built-in sun lounger for enjoying idyllic days together. The spacious cockpit, equipped with an optional integrated plancha grill, is the perfect place to relax and feel at one with the sea, enhanced by the Beach Club option that provides an embedded gangway flush with her line. The incredibly comfortable lounge has been designed with expansive panoramic windows that bathe the interior in natural light. Her U-shaped galley transitions seamlessly with the cockpit courtesy of a vast sliding pocket door.

UNE NOUVEAUTÉ QUI RÉVOLUTIONNE L'OFFRE DES CATAMARANS DE CETTE TAILLE.

With its aerodynamic lines and dynamics, its living spaces designed and bathed in light, its exponential comfort and the pleasure it will bring during navigation, the Astréa 42 signed Fountaine Pajot Sailing Catamarans will allow you to share with your family, your friends, or in couple, the most beautiful moments at each stage of your trip... It marks a desire to innovate while conserving the DNA of the Fountaine Pajot range. It has all the assets that have made the success of the latest novelty: the Saona 47. Its inverted bow, new signature of the range, draws an elegant and dynamic line while offering incomparable interior space.

The Astréa 42 has been imagined and designed to ensure fluid circulation throughout the boat as well as full communication between the helm station and the living and relaxation areas, from the roof to the cockpit. The Roof, very welcoming, features a double seat at the helm station and a built-in sun lounger for sunbathing. The large cockpit, equipped with an integrated plancha grill as an option, is the ideal place to relax or enjoy the sea, thanks to its Beach Club option with an integrated gangway. The salon, designed with large windows on 360°, is bathed in light and offers an exceptional on-board comfort. Its U-shaped kitchen communicates directly with the cockpit via a large opening hatch.
