FOUNTAIN PAJOT SAILING CATAMARANS

Saona 47

ELEGANCE AND INDIVIDUALITY

Encompassing the finest signature features of the Fountaine Pajot shipyard, the Saona 47 exudes a striking aura with her distinctive design, strong lines and timeless elegance under sail or at anchor.

Incomparable space

The Saona 47 boasts expansive living areas for enhanced cruising pleasure. The generous cockpit is intelligently designed for entertaining and features an extended aft platform to easily facilitate a host of leisure activities. Immerse yourself in spectacular surrounds on the foredeck's huge sun lounge or share in the cruising experience at the helmstation as you unwind on the exceptionally large 9m² lounge deck. The exquisitely crafted saloon is bathed in bright natural light, and her comprehensively equipped galley has an island bench and an abundance of storage for extended cruising. Available in two layouts, you can choose a 3-cabin Owner version featuring a decadent master suite that occupies an entire hull complete with Italian-style shower, plus two generous guest cabins in the port hull that each enjoy their own exclusive ensuites. The Saona 47 is also available in a five-cabin version with private ensuites to the four double guest cabins as well as to the convenient crew quarters.

Performance and Agility

The Saona 47 cruising catamaran offers intuitive responsiveness at the helm and unparalleled performance in all conditions. Her optimised weight-to-volume ratio delivers exceptional balance and stability for an unforgettable sailing experience at any speed.

The Saona 47 - a dynamic yacht delivering cruising pleasures designed to be shared!

ÉLÉGANCE ET CHARISME

De l'élégance et du charme car le Saona 47 a bien l'ADN du chantier Fountaine Pajot... Son design, son élégance en navigation comme au mouillage ou dans une marina, la tonicité de sa ligne, sont reconnaissables au premier regard.

De l'espace...

De très belles zones de détente à l'extérieur : le cockpit est prolongé par une plateforme arrière ludique et pratique. A l'avant, un très grand bain de soleil, et au niveau du poste de barre, un lounge deck exceptionnel de 9 m² raviront tous les passagers. A l'intérieur, deux mots d'ordre : convivialité pour un carré extrêmement lumineux et une vraie cuisine dotée de rangements ergonomiques ; intimité pour les cabines d'un confort inégalé que vous pouvez choisir au nombre de 5 avec 5 cabinets de toilette privatisés, ou au nombre de 3 dans sa version Propriétaire qui vous réserve une véritable suite avec salle de bains à l'italienne, n'ayant rien à envier à une chambre de luxe.

De la performance et de la manœuvrabilité

Le Saona 47 procure de belles sensations à la barre et offre de belles performances. Son rapport Poids/Volume est optimisé dans ce sens et son équilibre vous rend la navigation agréable à toutes les allures. Partagez, sans modération, vos émotions à bord du Saona 47...

RANGE OF MODERN ELEGANT CATAMARANS

Fountaine Pajot's extensive range of sailing catamarans is carefully designed to exceed the expectations of those who are passionate about the sea. We update our range each year to ensure our catamarans represent the pinnacle of modern design and incorporate the latest in industry technologies. From our stylish entry-level catamarans to our prestige Flagship range, Fountaine Pajot's sail range sets the benchmark in style, comfort, safety and performance.

PERFORMANCE

Our sail catamarans have been strategically designed and constructed to provide outstanding performance at sea. Their unique designs and efficient hull lines deliver unforgettable sailing experiences without compromising the highest standards of comfort, stability, safety, agility and responsiveness.

COMFORT

We understand sailing is all about pleasure, and our sail range incorporates a design and level of finishes that ensures you enjoy the ultimate cruising lifestyle. Living space both inside and out is exceptional, and an open-plan design and single-level saloon and cockpit allows uninterrupted movement and easy communication throughout the boat. Panoramic windows, generous portholes and skylights complement the exquisite timber finishes to create beautifully luminescent interiors. Discover a new standard in relaxation with your choice of places to unwind, including stylish sunbathing stations and spacious roof lounge decks.

SAFETY

Incomparable levels of safety are a hallmark of Fountaine Pajot's cruising catamarans. Our boats are unsinkable in all conditions and feature a sacrificial skeg, crash box, balsa sandwich construction and other elements to guarantee optimal peace of mind. Each catamaran is designed with optimized circulation throughout the boat to facilitate safe and easy movement and maneuvering. Every aspect has been considered with your safety in mind, from the boom height, flybridge access, seamless communication between the saloon and cockpit, protected windlass, and much more.

QUALITY

From the first stroke of the designer's pen to the thrill of a catamaran's delivery, achieving the highest level of quality is paramount to Fountaine Pajot. Our architects, designers and technical teams use the most advanced techniques and perform rigorous testing at every stage of design and construction. Throughout our innovative manufacturing processes, we employ cutting-edge technology such as RTM injection or infusion techniques to guarantee the quality of our composites. Our commitment to quality is evident with all processes and materials subject to stringent ISO 8001 V2000 certification. Quality is ensured long after we hand over your catamaran, with our extensive network of international dealers available to assist throughout the life of your boat.

ELEGANCE OF DESIGN

Fountaine Pajot catamarans are created in collaboration with the world's most acclaimed designers and represent the pinnacle of sophistication and timeless elegance. Subtle French styling is fused with meticulous attention to detail and stringent construction processes creating an onboard experience that evokes all the pleasures of a five-star hotel. The boats' sleek and highly efficient hull design delivers breathtaking performance at sea, with an overall aesthetic beauty that turns heads at every port.
